Hello.  
I hope you are all better and the girls had a good outing yesterday.  
These are the outings I've done this term. I owe for one session from last year.

January, 17, 18, 19, 21 and 30th  
February, 1, 5, 6, 7, 12, 13, 15, 19, 20, 21 and 22nd.

Sixteen sessions, minus one equals fifteen.

I won't be able to help with any bank party stuff, as I'm working. I am free Saturday if needed.  
Good luck for the week.  
Stephen

Actually, all we need to sort is Wednesday.  
Either M2 move, or W2 move. I'd say this is probably best done based on coaching availability. Steve is now coaching W3 on Fridays, so is free on Thursdays. Unless he objects to two early mornings, if Steve coached W2 on Thursday mornings, reckon our problem is solved?

Dear Captains,

1) Entries for the Lent Bumps can now be submitted on the CUCBC website . The deadline for entries is Saturday 31st January. All entries must be submitted, and all entry fees (£40 per crew) and outstanding CUCBC bills must be paid by the deadline. Cheques should be payable to Cambridge University Combined Boat Clubs and send to me (Wilfried Genest) at St. John's College. For payment by bank transfer, please contact [seniortreasurer@cucbc.org](mailto:seniortreasurer@cucbc.org). Please make sure you enter your crew information for the bumps programme at <http://www.thebumps.co.uk/crewlists>.

If you have any problems with entries or any eligibility requests, please email me.

2) The 2 boats rule (only 2 boats per club allowed on the river in the mornings) is going to be implemented as

of Wednesday 28th January - this is because >60 boats were out on Tuesday, Thursday and Friday this week.

In order to keep the traffic fluid, can boat also restrain from stopping for too long at the P&E. Though I am aware of the need for dekitting, long queues are currently forming upstream of the P&E every morning.

Best regards,

Wilf. Genest
