Hi,

Just got a receipt for the pens and card for BCD.

Ignore the cartridges but with buy 2 get 1 free offer and NUS card, I got the costs as  
 $(9.99 + 1.99) * 0.875 = 10.50$ .

Also printing costs were for about 45 menus each with a cover and 6 sides so I got a total of £12.50.

So, altogether £23.00?

I heard you were upset about the menu covers- sorry about that. Its pretty stupid, I printed and folded over 40 of them and I didn't realise!

Will transfer you asap!

I think I minded least of everyone near me- felt like exactly the sort of mistake I would make myself so  
couldn't blame you.

The rest of the menu was hilairous! Termly round up and page 3 have to stay :)

L
